11K SERIES CSA BIT PATTERN TRANSFER

Version	N/A
Release Date	02-May-2002
Size	65 KB
Type	Utility
Reference Number	066001600
File Name	download.zip

Download File   (65 KB)

By downloading, you agree to the terms and conditions of the
Software Download Agreement

Description

This program downloads a file to the CSA907. The file should be made up of 1s and 0s. You can use any editor you want. You may separate each value with a space, comma, carriage return, or any combination them. Or, you can pack all the bits together. Type download at the DOS prompt to see the required input format.

                This program downloads a file to the CSA907.  The
file
        should be made up of 1's and 0's.  You can use any editor you
        want.  You may separate each value with a space, comma,
        carriage-return, or any combination them.  Or, you can pack
all
        the bits together.  Type download at the DOS prompt to see
the
        required input-format.
                I noticed an error-rate when using my "PATTERN"
        pattern.  It turns out that I made up the file from similar
        blocks (cut-and-paste) and then altered a few bits.  The
        error-rate may only go to zero on "PATTERN" if the CSA907's
WORD-SYNC
```

This software applies to:
CSA8000B, CSA8000, CSA7154, CSA7404

(WebID: 4989), 02-May-2002
